

What is a

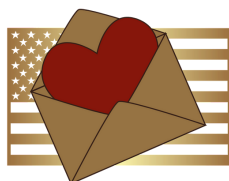

VPPP Ambassador?

A VPPP Ambassador is someone who will:

- Support the *Veteran Pen Pal Project* mission and cause
- Recruit additional pen pals
- Connect us with veteran communities in your local area
- Spread the word on social media and throughout your community

There are many ways that you can be an Ambassador and not all are required.

We work with your schedule and interests!

How Does it Work?

We will provide you with all the resources you need in a personal VPPP Folder on Google Drive.

You spread the word in a way that is *true to you*.

We will always be available via email if you have any questions or need any guidance.

Feel free to share any updates and exciting news on our VPPP Facebook Group
